In Progress

⊙ baths-coursework-cs03 #13

Create Report about the finished assignment

Done

⊘ baths-coursework-cs03 #1

Add Documentation to the back end classes

⊘ baths-coursework-cs03 #4

Implement methods to the SeaBattle class, with implementing the methods in the relevant backend classes

⊘ baths-coursework-cs03 #11

GUI implememntation

⊘ baths-coursework-cs03 #8

Review the code, check it for the coupling and decoupling, and cohesion related issues

⊘ baths-coursework-cs03 #3

Back-end classes without docoumentation and purely for visual understanding of which classes exist

⊘ baths-coursework-cs03 #12

Create a Test Plan

⊘ baths-coursework-cs03 #5

implement serialization of the game to save and retrieve the data as saveGame and loadGame advise

⊘ baths-coursework-cs03 #9

Fill oout the teamwork form

⊘ baths-coursework-cs03 #10

finish all the todos added to the prooject

⊘ baths-coursework-cs03 #6

Create Additional Test Cases

⊙ baths-coursework-cs03 #7 ···

QA, look for edge cases and check wether functionality aligns with the case study itself
